## Mayor's Update

The City Council welcomes a new member, Kevin Dorritie. Thank you to Angie Banz for serving on the Council. Your service to the community is appreciated. The mayor's seat and two council positions are up for election in November. You have until June 1st at Noon to sign up for one of the open positions. Filings must be done at the Sedgwick County Election Office, 510 N Main in Wichita. The filing fee is \$20.00.

The Citywide Garage Sales are scheduled for May 5th with Citywide Clean-up scheduled for May 12th at the Public Works Building from 9 am to Noon. Remember, no tires, hazardous waste, or appliances that have not been drained of Freon and tagged.

Welcome to Omar Galaviz our new full-time police officer. Omar will attend KLETC's 16 week course and once completed you will see Officer Galaviz on the streets of Colwich protecting and serving our community!

As part of the continued improvement of the parks in Colwich, new playground equipment has been added to Veterans Memorial Park and efforts are being made to improve the disc golf course.

One of the best kept secrets of Colwich is the disc golf course. Players using the field love the natural setting, the difficulty of the course and layout. There is a grassroots effort by the players and myself to upgrade the course so a

nationwide tournament can be held in Colwich hopefully in 2020. To date four of the 18 holes have been sold for revamping. The cost to improve a hole is \$450.00 which includes a professional level basket and installation costs.

If you are interested in sponsoring a hole your family or business name will be placed on the hole as a way to say thank you for your support. If Please call me at 796-1025 for more information.
